

Kevin Incorvia

18 Forest St Apt 43 Cambridge, MA 02140
T: (617 575-9377 E: Incorvia@gmail.com

Objective To find a Ruby on Rails web development job that will allow me to provide my broad range of skills and incredible work ethic to a growing 'influencer' company.

Experience Freelance programmer Oct 2011 - Present

Built numerous web applications with wildly varying technologies: Mongo, Gridfs, Nginx, Passenger, JQuery, Javascript, Facebook Connect, Twitter Connect, daemons, RefineryCMS, you name it. Also built NewsLeaf.us which one user said "This is the news platform I've always wanted".

Grassroots Campaigns International – National Numbers Analyst April 2011 – Sept 2011

Reconcile and analyze numbers for 30 offices and 3000 Employees nationwide. Started in data entry and was promoted to this position in under 2 months.

ContactJam – Founder - President May 2010 – April 2011

Managed a team of developers / designers producing ContactJam, a social media game spanning iPhone / Android / and web platforms. Duties included management, product design, graphic design, marketing, fund raising, HTML / CSS coding.

Falcon Day Traders – Founder – Vice-President Marketing June 2007 – May 2009

Founded and performed marketing activities for Falcon Day Traders, a day trading education company. Ran SEO Efforts, created and managed email lists, ran print advertisements, performed sales. Company achieved \$700k in sales in second year.

Education B.A. Business – Maharishi University of Management 2000 - 2005

Received a Bachelor of Arts in Management graduating in the top 5% of my class with a 3.94 GPA. Minored in Vedic-Science (Eastern Philosophy)

Skills Management: Leading Group Projects, Team Building, Startup Company Formation

Skills: Rails, Mongo, Gridfs, Nginx, Capistrano, Javascript, JQuery, SASS, HAML, JSON, Active Record Querying, Devise, Facebook Connect, Twitter Connect, RefineryCMS, currently learning API authorship.

Fun: Swing Dancing (Which I teach at Harvard), Running
